Mooring / Winter Cover

Hand Rail

All dodgers include:

- Heavy duty zippers with non-corroding plastic
- Zippers on both the forward and aft sleeves for easy removal from bows.
- Reinforced strip of material along aft edge
- All seams are double stitched
- All hardware used is stainless steel
- Window material is .40 gauge double pressed, polished clear vinyl
- Stainless steel 1" OD tubing framework

Material Choices:

- Sunbrella - Solution dyed acrylic, woven fabric, 9.25oz
- Seamark - Sunbrella outside, vinyl inside 16oz
- Boattop - Embossed vinyl outside, poly/cotton inside 16oz
- Stamoid - Polyester fabric w/vinyl coating 8.3 or 12.7oz

Dodger Options:

- Handrail welded to aft bow
- Leather for handrail, aft edge or as chafe protection
- Halyard and/or traveler line cutouts
- Poly-carbonate: extra clear window material
- Strataglass window material: clear or different shades of smoke
